How to transfer my A:M license to a new computer

Windows:

- First download: http://www.hash.com/down/get_host_id_win.zip
- unzip that file to the desktop of the computer you want to transfer your A:M license to.
- For windows XP,Vista,Windows 7,win8/8.1
    - Extract the files from the downloaded ZIP-file to your desktop.
    - Double-click "get_host_id.bat"
    - Atached the created "your_host_id.txt" file in a email to support@hash.com
    - Add your OrderID or activation code that you want moved.
    - We will email you back a new master0.lic license file

Mac:

- Download http://www.hash.com/down/get_host_id_mac.zip
- For Intel Mac OSX
    - Extract the files from the downloaded ZIP-file to your desktop.
    - Double-click "get_host_id.command"
    - Atached the created "your_host_id.txt" file in a email to support@hash.com
    - Add your OrderID or activation code that you want moved.
    - We will email you back a new master0.lic license file
